Check out this organisation for supporting homeless people into work and independent living.

Beam's supporters have changed the lives of 3,186 people

In 2016, Alex Stephany became friends with a homeless man who would sit outside his local train station. Alex would stop to chat with him and buy him coffee. The man had been out of work longer than he could remember.

As the months passed, Alex became determined to find ways to help the man leave homelessness for good. But he knew he couldn't do that on his own. That's when Alex had the idea to crowdfund for homeless people.

Through the power of people and technology, we transform how the world supports those left behind.

In February 2022, the UK was asked to help support Ukrainians displaced by the war.
Since then, the people of Suffolk have welcomed over 1,400 Ukrainian Refugees
into their homes as hosts.

**Unfortunately, the war continues, and we still need Hosts to offer a safe place to stay for
individuals and families in Suffolk.**

CAN YOU HELP?

Homes for Ukraine Suffolk still need safe and secure places in the larger villages and towns with good access to public transport and amenities .

If you can offer a safe place for a Ukrainian guest, please email us at refugeesupport@suffolk.gov.uk
or visit our website www.suffolk.gov.uk and search for 'Support for Ukraine'

Accommodation must be available for at least 6 months and be fit for purpose.

If you sign up to the scheme, and all checks are completed you will be eligible for a monthly £350 'Thank you' payment, rising to £500 per month once your guests have been in the UK for more than 12 months or you have hosted for over 6 months.
