DIGITAL JOURNALING: EXPLORING FAIRY TALES

COURSE SUMMARY:

This 7 week interactive course will explore how fairy tales don't just exist in bedtime stories, or the pantomimes visit at Christmas. We'll see how they are still relevant to today, and how they have equivalents on many different countries in the world. We will be looking at a selection of our favorites - Cinderella, Jack and the Beanstalk, The Little Mermaid, Puss in Boots and possibly others. You will get the chance to respond creatively and share your own writing and art ideas with the group. The course will take place on Microsoft Teams and support will be provided in accessing this.
