DIGITAL JOURNALING: EXPLORING THE ELEMENTS

COURSE SUMMARY:

This 6x week interactive online course will teach you how to use images and words in a creative way. We will explore how the elements - earth, air, fire, and water appear in our own lives and also those of other cultures. This will involve looking at and discussing stories, poetry and art on these themes and having a go at creating our own too. This Course will take place on Microsoft Teams support will be provided in accessing this.

ENTRY REQUIREMENTS:

- Have access to a computer or laptop
- Aged 19 or over

AWARD:
Unaccredited
