DIGITAL JOURNALING: TELLING YOUR STORY

COURSE SUMMARY:

Be part of an online group creating connections in a post Covid-19 world. You'll need to access the class through Microsoft teams on your computer & we'll support you as you access the course through your laptop, iPad, tablet or phone. Narrative is part of our everyday lives, appearing in the fairy tales we read to children at bedtime or the plotlines of our favourite soap operas. Our new course runs over 8 weeks and allows you work on your own personal story. We'll use ideas, images and words and look at inspiration from myths and legends you may know and introduce you to some you don't.

ENTRY REQUIREMENTS:

- Aged 19 or over
- Can access Microsoft teams - we can support you with this
- Have access to a computer or iPad
