**LEARNING
IN FAMILIES**

FOLLOW-ON MATHS

COURSE SUMMARY:

This course is for parents/carers who have completed the 'Step Ahead in Maths' course and who want to continue their learning and gain a Functional Skills qualification in Maths.

ENTRY REQUIREMENTS:

- Are a parent, carer or grandparent aged 16 or over who does not already hold a Level 2 qualification in Maths (i.e. GCSE grade A-C, CSE grade 1)

AWARD:
City and Guilds
Functional Skills

WHAT WILL YOU DO ON THIS COURSE?

- ✓ **Improve your** mathematical skills
- ✓ **Feel more** confident with everyday tasks involving maths
- ✓ **Gain a** Functional Skills qualification at an appropriate level covering three central themes: 'number', 'measure' and 'handling data'
- ✓ **This course** runs over a period of 12 or 18 hours

PROGRESSION FROM THIS COURSE:

You may be interested in a 'Step Ahead in English' course, or progress through Functional Skills up to Level 2.

We provide a wide range of courses that you can progress on to, to further develop your skills. These include a variety of vocational and employability qualifications to help prepare you for work: computer courses, family learning and health and wellbeing programmes.
