MINDFUL MOVEMENT

COURSE SUMMARY:

This course will explore movement as a tool to use to support your mental health. You will learn about the strong connection between mental and physical health and the way we use our senses to interact with the world. You will put the theory into practice throughout the course by exploring different types of gentle movement.

ENTRY REQUIREMENTS:

- Aged 19 or over
- This course is open to everyone, including those using walking aids and powered or manual wheelchairs. All activity can be adapted to anyone's physical needs, although it does help us to plan if we understand your needs before the start of the course.
- We recommend wearing loose comfortable clothing.
