**LEARNING
IN FAMILIES**

PLAY AND LANGUAGE

COURSE SUMMARY:

This 10 hour course is for parents/carers and grandparents who are interested in devising play opportunities to support their child's learning. You will be able to explain how these play opportunities support your child's development.

ENTRY REQUIREMENTS:

- You can join this course if you are a parent, grandparent or carer

AWARD:
Unaccredited

WHAT WILL YOU DO ON THIS COURSE?

- ✓ **Learn about** how playing with puppets can support a child's speaking and listening skills
- ✓ **Find out how** children learn through storytelling, using props they have created
- ✓ **Learn about** how patterns support a child's maths learning
- ✓ **Carry out a** science experiment, using appropriate technical language

PROGRESSION FROM THIS COURSE:

We provide a wide range of courses that you can progress on to, to further develop your skills.

- Stress Management
- Step Ahead in English, IT or maths in a school setting.
- Community English or maths courses to gain a Functional Skills qualification.
