## LEARNING IN FAMILIES

### PLAY AND LANGUAGE

#### COURSE SUMMARY:

This 10 hour course is for parents/carers and grandparents who are interested in devising play opportunities to support their child's learning. You will be able to explain how these play opportunities support your child's development.

#### ENTRY REQUIREMENTS:

- You can join this course if you are a parent, grandparent or carer

**AWARD:**  
Unaccredited

#### WHAT WILL YOU DO ON THIS COURSE?

- ✓ **Learn about** how playing with puppets can support a child's speaking and listening skills
- ✓ **Find out how** children learn through storytelling, using props they have created
- ✓ **Learn about** how patterns support a child's maths learning
- ✓ **Carry out a** science experiment, using appropriate technical language

#### PROGRESSION FROM THIS COURSE:

We provide a wide range of courses that you can progress on to, to further develop your skills.

- Stress Management
- Step Ahead in English, IT or maths in a school setting.
- Community English or maths courses to gain a Functional Skills qualification.
