WORK SKILLS

SKILLS FOR DEVELOPING YOUR OWN BUSINESS

40HRS

Thinking about working for yourself but not sure where to start?

Whether you already have a business idea or just want to explore if self-employment could be right for you, this course will help you take those first steps on your journey.

You'll find out what it takes to be a successful business owner, reflect on your own skills and strengths, and learn how to develop any areas you'd like to improve. Together, we'll explore realistic business ideas, look at the pros and cons, and gather feedback to help you choose one to take forward. You'll also learn how to spot common risks and how to share your idea clearly with others.

By the end of the course, you'll have a clearer idea of whether self-employment is right for you - and a simple plan to help you move forward with confidence.

LEARNING TOGETHER

Our workshops and courses run in partnership with schools and family hubs across Suffolk. If you are a parent of a baby, or child at primary school, then our free family courses are a wonderful way to build your confidence and support your child.

- Take time to explore through play and everyday activities ways to support the healthy development of your child
- Meet likeminded families and enjoy their support and friendship
- Gain a better understanding of the schools curriculum and the early years foundation stage so you are informed and a step ahead

All our courses involve hands on activities, laughter and lots of time for you to develop confidence and ask questions. If you are interested in joining our workshops and courses please speak to someone at your local family hub or child's school or contact us directly.
